

## Club Joining Instructions for Underwater Rugby Players

Firstly, welcome to the Adelaide University Scuba Diving Club!

Joining Adelaide University Scuba Diving Club (AUSC) is easy, though there are a few steps!

Firstly you need to create an account with Adelaide University Sport. This is done through AU Sport's website, *The Blacks*.

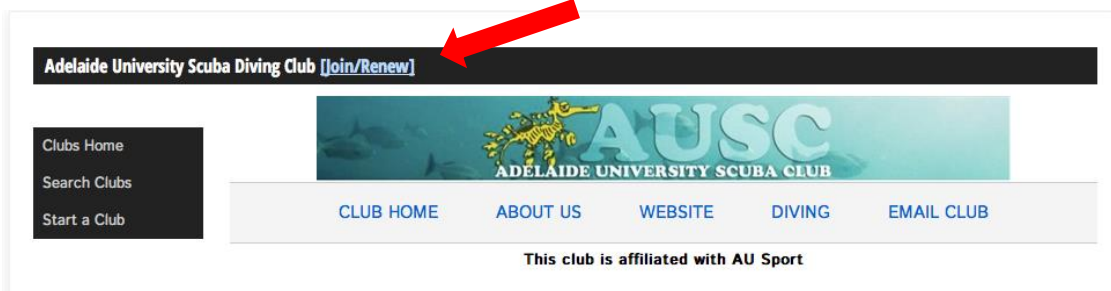

<https://www.theblacks.com.au/Common/Register.aspx>

Once your account is created, join AUSC. You can search *The Blacks* site for the club, or type the link:

<https://www.theblacks.com.au/Clubs/Club.aspx?CID=30>

You'll need to click the 'join/renew' link at the top left of the page:

Sign in using your new *The Blacks* login.

The 'membership' option is already selected for joining.

You will need to purchase both:

- AU Sport membership; and
- AU Scuba Diving Club Membership.

There are a number of options for AUSC membership. These are explained below.

Membership Type	Description
Student	For currently enrolled students of Adelaide University
University	For staff, external students, graduates, employees of businesses on campus, spouses of students, coaches, members of other Sports Unions or Associations of other Tertiary Institutions
Associate	If you don't qualify for student or university membership select this option
Junior	If you are under the age of 18 as at March 1 of the membership's year

After selecting and purchasing your membership, you will be required to complete the AUSC membership form.

Continue with your purchase. There is no need to add anything in the 'Notes' section.

You will be asked to complete the 'AU Scuba Club Membership Form'. Question 16 specifically relates to Underwater Rugby, however you will need to complete the whole form.

Once you have finalised your membership, you are now a member of AUSC. You will receive an e-mail confirming your membership, which will include a link to the Underwater Rugby Medical Form.

You will need to print off the Underwater Rugby Medical Form, complete it and hand it to the underwater rugby coordinator/coach.

If you have any questions on the sign up process, you can contact:
