*Your guide to Nationals 2018 in Adelaide, including everything you need to know.*

## Tournament Information

---

Date: 26<sup>th</sup> – 27<sup>th</sup> May 2018  
(If we get an overwhelming number of teams, we may add on a third day of play on the 25<sup>th</sup> of May)  
Time: 8am-5pm (Each Day)  
Venue: Adelaide Aquatic Centre  
Corner of Fitzroy Terrace & Jeffcott Road,  
Adelaide SA 5006, Australia

\*This is an indoor pool, and therefore no sunscreen is required. It can get quite warm within the pool complex\*

There will two comprehensive tournaments comprising of the following:

1. Mixed Tournament (male and females within a team – there is no requirement as to the minimum number of females/males per team). Based off participating teams, the tournament structure may be split into two divisions, consisting of elite teams and lower level teams, using current National rankings for that purpose. The first preference, however, is a group based tournament structure.
2. Women's ONLY Tournament. This is conditional towards a minimum of three teams.

The winner of the Mixed Tournament will be eligible to compete at Champions Cup 2018 in Berlin. Tournament Style, including game time, rules, and game scheduling will be announced after states and teams have confirmed attendance.

There will be a registration fee per team, and a registration fee per player. The team registration fee will cover the basics such as pool hire costs, equipment hire, and other costs incurred by the Adelaide White Pointers towards hosting the tournament. The individual player fee will cover snacks, energy drinks, and other bits and bobs, including pool entrance fee, etc. Further details to be confirmed once clubs have expressed their interest to partake in the tournament.

Mixed Team Cost:                \$\$ TBA  
Women's Team Cost:            \$\$ TBA  
Individual Player Cost:        \$\$ TBA (approx. \$20-30 per person)

***To register your team, please see the last page of this document!***

## Captains and Referees

---

It is compulsory that all captains and referees attend the Captains and Referee Meeting. Ensure that you land into Adelaide well before the meeting time on the night before the tournament. Referees that do not attend this meeting may not be able to referee at the tournament, and therefore teams may not be able to provide their quota of referees. There may be a fee (\$\$) to teams that are unable to provide their quota of referees.

Date: 25<sup>th</sup> May 2018  
Time: 7pm – Arrive before 6pm into Adelaide (Adelaide time).  
Further information to be released shortly.  
Venue: TBA, but will be sufficient for approximately 20-25 people.

## After Party and Awards Ceremony

---

We encourage everyone to stay behind for the after party. It usually gets “pretty wild”, and we advise that you organise your return flights for the next day (Monday). There are clubs open on Sunday night, for those who wish to carry on through the night.

Date: 27<sup>th</sup> May 2018  
Time: 7pm  
Venue: TBA  
Cost: \$\$ TBA

Once we release more information, there will be a cut off date and we expect players to respect this and transfer payment by this date. As you can appreciate, organising such events require us to confirm numbers with our venues and make advance payments.

## Accommodation

---

Adelaide will suggest suitable accommodation; however, it is the responsibility of the teams/players attending to book their own accommodation. Adelaide will provide any assistance and advice where necessary.

More information will be provided once teams have registered their interest.

## Transport

---

The Adelaide crew will be happy to give lifts to people to and from the pool, where possible. However, other suitable forms of transport include Uber (yes, we have this here), busses, and taxis.
